DEFINITIONS

BNIngo - Three sponsorships in a row across, down, or diagonal.

Blackout - All squares on the Chapter BNIngo Card have been filled

Cross Chapter Sponsorship - Helping another Chapter in the region grow their referral network. If the classification is on that Chapter's BNIngo Card you get a spot on their card and will participate in winnings if that spot wins that Chapter a BNIngo.

Unicorn - Sponsorship of someone in a classification not held in any other BNI Chapter in the region.

ITEMS OF NOTE

Transfers, Seat Changes, and Members rejoining using a Certificate of Credit do not qualify. In the case where a new membership does not qualify and the space becomes invalid, the region will replace that spot on the Chapter card with the next hottest classification on the Top 50 list that is open in the Chapter.

The date/time of when the applicant completes their payment is used to determine that the spot has been earned. Core Groups that become Chartered BNI Chapters will receive a BNIngo Card after the first 20 committed applicants.
